# BLUE SEA VIETNAM

## QUIZ: DEPLETION OF SALTWATER FISH

A vibrant, stylized illustration of a coastal scene. In the foreground, a young boy with dark hair, wearing a snorkel mask and a colorful floral life preserver, is swimming underwater. He is surrounded by a diverse marine ecosystem, including a large brown manatee, several yellow fish, a seahorse, a purple and yellow jellyfish, and various coral reefs and sea anemones. In the background, the ocean surface shows a small wooden boat, a lighthouse with a striped top, and a sailboat. The sky is bright with a few birds flying. The overall style is whimsical and colorful, with a soft, pastel-like color palette.

**QUIZ 1: CHOOSE THE CORRECT ANSWER**

# QUESTION 1

According to the scientists, when may seafood disappear?

2020

2048

2060

# ANSWER 1

According to the scientists, when may seafood disappear?

2020

2048

2060

## QUESTION 2

Which are main causes of depletion of marine resources?

Overpopulation

Unsustainable
