# BLUE SEA VIETNAM

## QUIZ: SEA HORSE

A vibrant, stylized illustration of a coastal scene. In the foreground, a young boy with dark hair and a yellow life preserver is diving underwater. He is wearing a blue mask and a red snorkel. The underwater world is teeming with life: a large brown manatee swims on the left, a green sea turtle on the right, and various colorful fish, including yellow ones and a seahorse. There are also colorful coral reefs and sea anemones. In the background, a small boat with a person inside is on the water. To the right, a lighthouse with blue and white stripes sits on a small island. The sky is bright blue with a few birds flying. On the left, a sandy beach with a thatched-roof hut and lush green trees is visible. The overall scene is bright and cheerful, with a soft, hazy atmosphere.
