BLUE SEA VIETNAM

QUIZ: SEA TURTLE

A vibrant, cartoon-style illustration of a coastal scene. The top half shows a bright, sunny day over a blue sea. On the left, a sandy beach with a thatched-roof hut and palm trees meets the water. In the center, a small wooden boat with two figures is on the water. To the right, a lighthouse with blue and white stripes sits on a small island. The sky is filled with white clouds and several birds in flight. The bottom half of the image is an underwater scene. A young boy with a snorkel mask and a flower lei is swimming towards the viewer. He is surrounded by a diverse marine life: a large brown manatee on the left, a green sea turtle on the right, a purple jellyfish at the bottom right, a yellow seahorse, and various colorful fish. The seabed is covered with diverse coral reefs and sea anemones. The text "QUIZ 1: CHOOSE THE CORRECT ANSWER" is overlaid in the center of the image in a bold, blue, sans-serif font.

QUIZ 1: CHOOSE THE CORRECT ANSWER

QUESTION 1

What is the food of sea turtles?

Seagrass and jellyfish

Crabs and invertebrates
